

Further to discussions with the IPSX on 15<sup>th</sup> November 2022, 2 minor changes have been made to the Admission Document as set out below:

1. Page 2: The statement by the Issuer has been amended to:

"The International Property Securities Exchange ("IPSX") is a market dedicated to the trading of shares in companies holding commercial real estate or infrastructure **Assets**. The financial instruments of [Issuer] that will be admitted to trading on **IPSX** are not admitted to the Official List of the Financial Conduct Authority."

It previously stated:

*"IPSX Wholesale is a market dedicated to the trading of shares in companies holding commercial real estate or infrastructure assets. Securities admitted to trading on IPSX Wholesale are not admitted to the official list maintained by the FCA (the "Official List"). Therefore, the Company has not been required to satisfy the eligibility criteria for admission to listing on the Official List and is not required to comply with the Listing Rules made by the FCA pursuant to Part VI of the FSMA."*
